

Tell Shelby County Law Enforcement that Wage Theft is a Crime!

Each year, thousands of Shelby County workers are victims of wage theft. Dishonest employers break the law by hiring workers and then not paying them for their labor. It's time to bring the crime of wage theft out of the shadows and into the light of day.

Workers Interfaith Network is urging Shelby County Sheriff Mark Luttrell and District Attorney Bill Gibbons to do their part to stop wage theft. Shelby County can join communities across the country in treating wage theft as a criminal offense, without having to pass any new laws.

If you believe that a hard day's work should equal a fair day's pay, please join us in the following actions:

Rally to Deliver Petitions to Sheriff Luttrell and District Attorney Gibbons

Thursday, April 8th at Noon
Shelby County Courthouse

We will rally at the historic courthouse and then make a short 1/4 mile march to Sheriff Luttrell's and Attorney Gibbons' offices at 201 Poplar. We will deliver petitions from community members urging Shelby County law enforcement to treat wage theft as a criminal offense.
